Against Liberty

Raiders win game 5

The Raider varsity football team won their fifth game of this season Friday, a 19-14 victory over Liberty.

Quarterback Kevin Ferguson, a surprise starter Friday night, got the Raiders on the board early on a first-quarter, 70-yard scoring pass to receiver Mark Kelso.

Liberty tied the score before halftime, but in the third quarter Ferguson himself scored on a two-yard dive off-tackle.

The Raiders scored again on their next possession, when Rodney Bryant exploded up the middle for a 21-yard scoring run.

Liberty's final score came in the tourth quarter, when Robert Lowery scored from a yard out following a Raider fumble.

The Raiders had 234 yards total offensive, including 98 on the ground and 138 in the air. The Raiders earned seven first downs against Liberty.

Liberty had 171 yards offense, including 127 rushing and 44 passing. Liberty earned four first downs against the Raider defense.

Friday night the Raiders will square off against Radford in an 8 p.m. game at home.

The Raiders, sporting a 5-2-1 record now, will play Buckingham in the final game of this season on Nov. 6.

Raiderettes drop two vs. Liberty, Brookville

Tim Webb, Rodney Bryant, Roy Trent, Mark Kelso and Kevin Ferguson have been cited for their performances in Friday night's game against Liberty.

Bryant, offensive back of the week, carried the ball six times for 31 yards and a touchdown. Ferguson, the second offensive back of the week, went 8 for 18 for 138 yards passing, threw a TD pass and scored once running. Tim Webb, offensive lineman of the week, did a "super" job blocking all night, according to Raider Coach Gary Cuccio.

Trent, defensive lineman of the week, made seven tackles and had four assists. Kelso, as defensive back of the week, made four tackles and had eight assists.

Jayvees win again

The Raider jayvee football squad traveled to Liberty High School Thursday and recorded their seventh win of this season, 32-8.

The first half was a defensive battle, with neither team scoring in the first quarter.

In the second quarter, the Raiders scored on a pass from quarterback Paul Johnson to slotback Ricky Turner to give the Raiders the lead. Ron Kelso ran for the two-point conversion to make the score 8-0, Raiders.

But Liberty battled back later in the second quarter and scored on a long pass play. Liberty also scored the two-point conversion, and the score stood at 8-8 when the horn sounded ending the first half.

Coach Howard Clabough said "I was not pleased with our offensive blocking during the first half."

In the second half, however, the Raiders came out with great determination and scored on a 15-yard run by Ronald Kelso. Johnson hit Ricky Turner for the two-point conversion, and the Raiders reacaptured the lead with a 16-8 score.

The defensive unit got into the scoring column in the fourth quarter, when safety Ricky Turner picked off a Liberty pass and returned it 40 yards for another touchdown. Johnson hit Kinckle Robinson for the two-point conversion.

On the very next series of downs, Raider defensive tackle Carroll Patrick intercepted another Liberty pass and outran the Liberty secondary for a 50-yard touchdown, the final of the game. Johnson hit tight end Kevin Kendricks for the two-point conversion to make the final score 32-8. The second team offense and defense finished out the game for the Raiders, who are now 7-1 on the season. After eight games, the Raiders have scored 147 points, while giving up only 50 to their opponents.

This week, the Raiders will play Monelison home at 6 p.m. Coach Clabough says this will "probably be our toughest game this year."

Webb, Bryant, Trent, Kelso, Ferguson cited

Last week was a difficult one for the Appomatox varsity Raiderette basketball team, as the local girls were defeated Tuesday night by Brookville, 40-38, and again Thursday night by Liberty, 56-29.

The week did have a bright spot for the Raiderettes, however, as junior Ruby Smith scored her 1,000th career point in the first moments of Thursday night's game against Liberty.

Tuesday's game was a hard-fought contest which saw the two teams play neck-and-neck in the first half.

The Raiderettes took a slight advantage in the first quarter, 12-8, but Brookville came back in the second quarter to tie the score at halftime, 18-18.

In the third quarter, it looked as if the Raiderettes would break the game open, as the local girls scored 14 points to Brookville's six, and took a 32-24 lead.

Brookville exploded for 16 points in the final period of play, however, and held the Raiderettes to six points, to slip past the Appomattox team, 40-38.

Coach Mary Tolley of Appomattox said "rebounds probably made the difference." The coach pointed out the fact that Brookville gathered in 50 rebounds, while the Raiderettes could collect only 28.

Brookville's rebounding power, combined with its fast break offense in the fourth quarter did the Raiderettes in, according to Tolley.

The coach did, however, laud the performances of Ruby Smith, who scored 29 points, got four rebounds, 13 steals, and one assist; Sandra Watkins, who scored four points, got ten rebounds, eight steals, and two assists; and Kim McGrath, who pulled eight rebounds during the game.

Thursday's contest saw the Raiderettes battle a powerful and big Liberty team close in the early part of the game. As time wore on, however, Liberty built up a lead which stood at 56-29 when the final buzzer sounded.

The Raiderettes played Liberty close in the first quarter, which ended with the visiting team ahead, 12-10. In the second quarter, Liberty scored another 12 points, while holding the Raiderettes to five, and the first half ended with the girls from Liberty holding a 24-15 lead.

The third quarter was much like the second, with Liberty extending their lead to 40-30. In the final period, Liberty scored 16 points to the Raiderettes' nine, and the game ended with a 56-29 score in favor of the visiting team.

Shirley Staples of Liberty was high scorer in the game with 21 points. Ruby Smith was the second highest scorer, with 18 points.

Rhonda Jaggars with six points, and Lolita Preston with five points were the other Raiderettes who scored against Liberty.

Tuesday, the Raiderettes were scheduled to face off against Buckingham at Buckingham, after the Times-Virginian deadline. Thursday, the Raiderettes will travel to Rustburg to face off against the Lady Red Devils in the final game of the regular season.

The Seminole District girls' basketball tournament will be held next week, Nov. 3, 4, 5 and 7, at Rustburg High School.

Tony Mann, Phil Bollinger, Carroll Patrick, and Carl Banks were named junior varsity Raider linemen of the week following the football game Thursday against Liberty.

In addition, Ronald Kelso, Paul Johnson, Ricky Turner and Russell Walton and Anthony Browder were named junior varsity backs of the week.

Mann and Bollinger, the offensive linemen of the week, blocked well from their guard and center positions, according to coach Howard Clabough.

Patrick and Banks, the defensive linemen of the week, had exceptional games, as well. Patrick had seven tackles and ran an interception back 50 yards for a score. Banks led the defense with 12 tackles.

Kelso, Johnson and Turner were the offensive backs of the week. Kelso rushed for 65 yards, scored a touchdown and a two-point conversion. Johnson went 7 for 11 passing for 61 yards and one touchdown pass, his eleventh of the season. Turner rushed for 80 yards and scored two touchdowns, one on an interception. He also scored a two-point conversion.

Walton and Browder were the defensive backs of the week. Walton had five tackles and an interception from his linebacker position. Browder had six tackles during the game from his linebacker position.

Students build float

The boys and girls of Mrs. L. Coleman and Mrs. D. Turner's class agreed to prepare a float to enter in the Railroad Day Festival parade on October 10, 1981.

Everyone was full of ideas and suggestions, but we finally settled on the idea we felt best portrayed the theme, Homecoming: 136 years.

On the Friday morning before the parade, a trailer, furnished by Jamerson Brothers of Appomattox, was backed into our parking lot for our use.

The cutting, pasting, hammering, sawing, climbing, and excitement began. With the help of many people, parents, teachers and custodial staff, by 5:00 on Friday evening, our "trainear" was completed.

Saturday morning with aching muscles and nervous tension we climbed aboard and joined the line of parade vehicles. We enjoyed every moment including rain and cold weather and keeping the "float" together.

It was after the float had been disassembled and we had scattered, going our separate ways enjoying other sights and sounds of the Festival that it was made official what we had known all along—"AES was number 1."
